## Seventh Grade Talking Points

- "In your story, think about the setting. Where does the adventure take place? Describe it using vivid language to make the reader feel like they are there with the Pokémon."
- "When writing about the Pokémon characters, consider their personalities and abilities. Use descriptive words to bring them to life in your story."
- "Think about the plot of your story. What challenges do the Pokémon face? How do they overcome them? Make sure to include a beginning, middle, and end in your narrative."
