

Objective

By the end of this lesson, you will be able to create your own Fortnite Lego world using only the materials available.

Materials and Prep

- Lego bricks in various colors and sizes
- Paper and pencil for planning
- Imagination

No prior knowledge or preparation is required for this lesson.

Activities

- **Brainstorming:** Spend some time thinking about the different elements you would like to include in your Fortnite Lego world. Consider the buildings, characters, weapons, and any other features you find interesting.
- **Designing:** Use the Lego bricks to start building your Fortnite Lego world. Begin with the main structures and gradually add smaller details. Don't forget to create your favorite Fortnite characters!
- **Testing and Playing:** Once your Lego world is complete, test it out by imagining different scenarios and playing with your creations. You can even create your own mini Fortnite battles!
- **Reflecting:** Take a moment to reflect on your creation. What did you enjoy the most about building your Fortnite Lego world? What challenges did you face? How could you improve it?

Talking Points

- **"Fortnite Lego world is a combination of two things you love: Fortnite and Lego! We will be using Lego bricks to create our very own Fortnite world."**
- **"Before we start building, let's take some time to think about the different elements we want to include. What buildings, characters, and weapons are important in Fortnite?"**
- **"Now it's time to put our imagination into action! Use the Lego bricks to build the main structures of your Fortnite world. Don't forget to be creative and add your own personal touch!"**
- **"Once your Lego world is complete, it's time to test it out! Imagine different scenarios and create your own Fortnite battles. You are the master of this world!"**
- **"Take a moment to reflect on your creation. What did you enjoy the most about building your Fortnite Lego world? What challenges did you face? How could you make it even better?"**
