

Objective

By the end of this lesson, the student will be able to apply their knowledge of writing to create a descriptive paragraph about their favorite aspect of Stardew Valley.

Materials and Prep

- Paper
- Pencil or pen

Activities

- Activity 1: Brainstorming - Have the student think about their favorite aspect of Stardew Valley, such as a character, location, or activity. They should write down any ideas that come to mind.
- Activity 2: Descriptive Writing - Instruct the student to choose one idea from their brainstorming session and write a descriptive paragraph about it. Encourage them to use vivid language, sensory details, and figurative language to bring their chosen aspect to life on paper.
- Activity 3: Peer Review - Have the student exchange their paragraphs with a peer or family member. They should provide constructive feedback on each other's writing, focusing on areas such as clarity, organization, and the use of descriptive language.
- Activity 4: Revision - After receiving feedback, the student should revise their paragraph, incorporating any suggested improvements and refining their descriptive language.
- Activity 5: Final Draft - Once the revision is complete, the student can write a final draft of their descriptive paragraph, ensuring it is neat, well-organized, and showcases their best writing skills.
