

Objective

By the end of this lesson, you will be able to summarize a paragraph in two sentences.

Materials and Prep

- Pen or pencil
- Paper or notebook

No prior knowledge is needed for this lesson.

Activities

- Activity 1: Read a paragraph aloud to the student. Ask them to write a summary of the paragraph in two sentences.
- Activity 2: Provide the student with a different paragraph. This time, ask them to verbally summarize the paragraph in two sentences.
- Activity 3: Create a game where the student reads a paragraph and challenges you to summarize it in two sentences. Switch roles and let the student summarize while you try to guess the main points.

Talking Points

- When summarizing a paragraph, it's important to identify the main idea or topic.
- Think about the most important information or details that support the main idea.
- Use your own words to express the main idea and key details concisely.
- Remember to include only the most important information and leave out any unnecessary details.
- Practice summarizing paragraphs regularly to improve your skills.
