Activities

1. Read a Dr. Seuss book of your choice.

   After reading the book, write down the main characters, the setting (where the story takes place), and the plot (what happens in the story). You can draw pictures or write descriptions to help you remember.

3. Create your own Dr. Seuss story.

   Now it's time to let your imagination run wild! Use the story elements you identified from the Dr. Seuss book you read and create your own story. Think of unique characters, an interesting setting, and an exciting plot. You can write or draw your story.

4. Share your story with someone.

   Once you have finished creating your Dr. Seuss story, share it with a family member or a friend. You can read it aloud or show them your drawings. Don't forget to explain the characters, setting, and plot!
