Activities

1. Hot Wheels Spelling Race: Choose a few Hot Wheels cars and write their names on separate pieces of paper. Set up a race track using books or other objects. Place the cars at the starting line and have them race to the finish line. As each car crosses the finish line, spell its name correctly to earn points. The car with the most points wins!
2. Hot Wheels Spelling Bee: Write down a list of Hot Wheels car names on separate pieces of paper. Fold the papers and put them in a hat or bowl. Take turns picking a paper and spelling the name of the car out loud. If you spell it correctly, you get to keep the paper as a point. The player with the most points at the end wins!
3. Hot Wheels Word Search: Create a word search puzzle using Hot Wheels-related words. You can find a template online or create one by hand. Give yourself a time limit and see how many words you can find within the given time. Challenge yourself to spell each word correctly as you find them.
