

Objective

By the end of this lesson, you will have a better understanding of the Minecraft Titanic and be able to build your own version in the game.

Materials and Prep

- Minecraft game
- Computer or gaming console
- Internet access

No prior knowledge or preparation is required for this lesson.

Activities

1. Research: Spend some time exploring historical information about the Titanic. Look for images, videos, and articles to gather inspiration for your Minecraft build.
2. Design: Sketch out a blueprint or plan for your Minecraft Titanic. Decide on the scale, dimensions, and specific areas you want to include.
3. Build: Start constructing your Minecraft Titanic in creative mode. Pay attention to details like the layout of the ship, the placement of rooms, and the overall structure.
4. Add Interiors: Once the exterior is complete, focus on creating the interiors of the ship. Furnish rooms, add decorations, and make it as realistic as possible.
5. Showcase: Invite friends or family members to explore your Minecraft Titanic. Give them a guided tour and explain the different areas of the ship.

Talking Points

- "The Titanic was a famous ship that tragically sank in 1912. It was considered one of the most luxurious ocean liners of its time."
- "When building your Minecraft Titanic, think about the different parts of the ship, such as the grand staircase, the first-class cabins, and the engine room."
- "Researching the Titanic's history will help you add more accurate details to your Minecraft build. Look for photographs or survivor accounts to get a better understanding of the ship."
- "Creativity is key when designing your Minecraft Titanic. Experiment with different block types, colors, and textures to make your creation unique."
- "Don't forget to include lifeboats on your Minecraft Titanic. They played a crucial role in the real-life disaster and should be present in your build."
- "When showcasing your Minecraft Titanic, explain the different areas of the ship and share interesting facts about its construction, passengers, and the events that led to its sinking."
