## Materials and Prep

- Paper and pencil
- Pokemon cards or printed pictures of Pokemon characters
- Access to a Pokemon-themed website or book (optional)

## Activities

- **Pokemon Spellathon:** Choose a few Pokemon names and write them down on separate pieces of paper. Mix them up and have the student pick one at a time. They should try to spell the name correctly. If they need help, they can refer to the Pokemon card or picture for guidance.
- **Pokemon Word Search:** Create a word search puzzle with Pokemon-related words. You can find online tools to generate word search puzzles or create one manually. Have the student find and circle the hidden words.
- **Pokemon Spelling Bee:** Select a set of Pokemon names and practice pronouncing them clearly. Take turns with the student saying the name while the other person spells it out loud. Encourage the student to pay attention to the correct sequence of letters.
