

Objective

By the end of this lesson, you will understand the basic concepts of government and citizenship, and how they relate to Minecraft.

Materials and Prep

- Minecraft game
- Computer or gaming device
- Paper and pencil

No prior knowledge of government or citizenship is required for this lesson.

Activities

1. Create a Minecraft Government: Have the student design and build their own government structure in Minecraft. They can create different branches of government, such as legislative, executive, and judicial, and build corresponding buildings or areas for each branch.
