

Objective

By the end of this lesson, you will be able to improve your English skills while having fun playing Starfall games.

Materials and Prep

- A computer or tablet with internet access
- A quiet learning environment
- Basic knowledge of navigating websites and using a mouse or touchpad

Activities

- Start by visiting the Starfall website (www.starfall.com) and exploring the different interactive games available. Choose a game that interests you the most.
- Once you have selected a game, spend some time playing it. Pay attention to the English words, sentences, or stories presented in the game.
- After playing the game, take notes of any new vocabulary words you encountered. Look up their meanings and write them down in your English notebook.
- Practice using the new vocabulary words in sentences. You can create a short story or write a paragraph using the words you learned.
- Share your story or paragraph with a family member or friend. Ask them to provide feedback and suggestions to improve your writing.
