

## Instructions

Read the following prompts carefully and answer each question with your own thoughts and creativity. Use complete sentences and feel free to express yourself!

### Character Trait Analysis

1. List the main characters in "Harry Potter and the Philosopher's Stone" and their character traits:

- **Harry Potter:** Courageous, loyal, compassionate
- **Hermione Granger:** Intelligent, hardworking, resourceful
- **Ron Weasley:** Funny, brave, supportive

2. Compare your character traits to those of the main characters:

- What character traits do you share with Harry, Hermione, or Ron? Describe how these traits manifest in your own life.
- Are there any character traits from the main characters that you do not possess? What are they, and why do you think that is?

### Creating Your Character

3. Imagine a new character in the Hogwarts world that is based on yourself. Answer the following questions:

- **What is your character's name?**
- **What Hogwarts house would they belong to? Why?**
- **What is their blood status? (Full blood, half-blood, Muggle parents, or Muggle)**
- **Would your character be a human or a mythical creature? Explain your choice.**
- **What subject would be their favorite and why?**
- **Would they play a main role like Hermione or a side character like Luna? Justify your answer.**

### Book Blurb

4. Write a short blurb for a book that involves your character. Make sure it fits into the context of the Harry Potter world:

- Include the character's name and a brief description of their journey or challenges they face.
- What theme does the story explore that connects to the traits you wrote about earlier?

Try to keep the blurb to around 100 words, focusing on capturing the essence of your character's story and its connection to the magical world.

Once you've completed your worksheet, review your answers and make any necessary edits. Enjoy writing!
