

Instructions

Complete the activities below to explore the world of music. Be creative and express your thoughts!

1. Musical Genres

List five different musical genres that you enjoy. For each genre, write a brief description (2-3 sentences) about its characteristics or what you like about it.

- Genre 1:

- Genre 2:

- Genre 3:

- Genre 4:

- Genre 5:

2. Favorite Artist

Who is your favorite music artist or band? In a few sentences, explain what makes their music special to you.

--

3. Lyrics Analysis

Choose a song that has meaningful lyrics. Write down a few lines that stand out to you and explain why they resonate with you.

4. Create Your Own Song

Write a short stanza (4 lines) for a song you've just created, and share the theme or message behind it.

5. Music and Emotion

What emotions do you feel when you listen to music? Describe how music affects your mood and gives you comfort or joy.
