

Instructions

Think about your future career and answer the questions below. Use complete sentences and express your thoughts clearly!

1. What career do you see yourself pursuing in the future? Why do you feel drawn to this profession?

2. What skills or education do you think are necessary to succeed in this career? List at least three.

3. Describe one person you admire in your chosen career field. What qualities do they have that you would like to emulate?

4. What challenges do you think you might face while pursuing this career? How do you plan to overcome them?

5. Imagine you have achieved your dream job. Write a short paragraph about what a day in your life would look like.

6. If you could ask a professional in your desired career one question, what would it be and why?
