

## Instructions

Read the passages below about the game "Zelda: Tears of the Kingdom" and answer the questions that follow. Use your imagination and creative thinking to enrich your answers!

### Passage 1

"Zelda: Tears of the Kingdom" is an adventure game where players explore the magical land of Hyrule. The main character, Link, embarks on a journey to save Princess Zelda and uncover the mysteries of the kingdom. Along the way, Link encounters various creatures, solves puzzles, and battles enemies.

### Questions

1. What is the main quest of Link in the game?
2. List two challenges Link might face during his adventure.

### Passage 2

The game introduces a new feature: building and customizing vehicles to navigate the skies and land of Hyrule. Players can collect materials to create flying machines or boats, allowing for creative problem-solving.

### Questions

1. What is a new feature introduced in "Tears of the Kingdom" that helps Link travel?
2. Describe a vehicle you would create if you played the game. What materials would you use and how would it look?

### Passage 3

In this game, players meet many interesting characters who provide hints and quests. These characters often have unique personalities and backstories that add depth to the story.

### Questions

1. Name a type of character you would like to meet in the game and explain why.
2. Imagine one character's backstory. What challenges did they face, and how did they help Link on his journey?

### Creative Writing

Write a short story (4-5 sentences) about an epic battle Link fought to save the kingdom. Include the enemy he faced and describe what made this battle unique.

### Reflection

What element of "Zelda: Tears of the Kingdom" do you think is the most exciting: exploration, puzzle-solving, or combat? Explain your choice in 2-3 sentences.
