

## Instructions

Read the passage below about football, then answer the questions that follow.

**Football** is one of the most popular sports in the world. It is played by two teams, each consisting of eleven players. The main objective of the game is to score goals by getting the ball into the opposing team's net. Players use their feet to kick the ball, but they can also use their heads and bodies, except for the goalkeepers, who can use their hands to protect the goal.

A football match lasts for 90 minutes, divided into two halves of 45 minutes each. Teams can change players if someone gets tired or hurt. Fans love to cheer for their favorite teams, and big championships attract millions of viewers from all over the world.

## Questions

1. How many players are on each football team?
