

## Instructions

Read the passage below carefully. Then, answer the questions that follow.

Football is a popular sport played all around the world. Two teams compete against each other to score goals. Each team has 11 players on the field. The game is played on a rectangular field with a goal at each end. Players use their feet to kick the ball and try to get it into the opposing team's goal. Only the goalkeeper can use their hands to stop the ball from going into the net. The team that scores the most goals wins the game. Football is known for its excitement, teamwork, and fun!

## Questions

1. How many players are on each team?

2. What do players use to kick the ball?

3. Who is the only player allowed to use their hands?

4. What is the main goal of the game?

5. What do you like most about football? Why?
