

Instructions

Complete the activities below by answering the questions, drawing shapes, and solving the problems. Have fun while learning!

English

1. Write a short story about a day in your own Minecraft village. What did you build? Who did you meet?

2. List 3 things you like to do in Minecraft. Describe each one in one sentence.

Math

3. There are 5 houses in your village, and each house has 3 windows. How many windows are there in total?

4. Draw a 3D shape that you can build in Minecraft (like a cube or pyramid) and label the shape.

Science

5. In your village, you have a farm with 2 types of animals: chickens and cows. If there are 7 chickens and 4 cows, how many animals do you have in total?

6. Describe the different types of materials you can use to build in Minecraft. What are their properties? (e.g. wood is strong, sand is fragile, etc.)
