

Instructions

Read the provided excerpts from Bruce Cameron's "A Dog's Purpose" novels and answer the following questions based on your understanding of the text.

Excerpt Reflection

Choose one of the following excerpts from "A Dog's Purpose" that speaks to you the most. Provide a brief summary of the excerpt and discuss why it resonates with you.

- Excerpt 1: Bailey finds his way back to his owner, Ethan, after being separated for years.
- Excerpt 2: The dog observes the world through its various lives, reflecting on the meaning of loyalty and purpose.
- Excerpt 3: The bond between a dog and its child owner brings happiness and comfort during difficult times.

Write your summary and reflection here...

Character Analysis

Choose a character from the story (either a dog or a human) and analyze their role and development throughout the novel. Consider the following questions in your response:

- What are the character's main traits?
- How does the character evolve throughout the story?
- What important themes does this character represent?

Write your character analysis here...

Theme Exploration

In "A Dog's Purpose," themes of loyalty, love, and the search for identity are prominent. Choose one of these themes and explain its significance in the story. Use examples from the text to support your points.

Explore the theme you chose here...

Creative Response

Imagine you are a dog in one of the stories. Write a journal entry from the perspective of that dog about a memorable day in your life. Describe the events and emotions you experienced.

Write your journal entry here...

Personal Connection

Reflect on your own experiences with pets or animals. How do they relate to the themes in "A Dog's Purpose"? Share a personal story or observation that connects with what you've read.
