

## Instructions

Look at the pictures below and help classify the animals into the correct groups! Draw a line from each animal to its group.

### Animal Groups:

- Mammals
- Reptiles
- Birds
- Fish

### Animals:

- ☐ Dog
- ☐ Snake
- ☐ Parrot
- ☐ Goldfish
- ☐ Elephant
- ☐ Turtle
- ☐ Llama
- ☐ Penguin

### Classification Chart:

Animal	Group
Dog	
Snake	
Parrot	
Goldfish	
Elephant	
Turtle	
Llama	
Penguin	

### Fun Fact:

Mammals are warm-blooded animals with fur or hair. Reptiles often have scaly skin and lay eggs. Birds have feathers and can usually fly, while fish live in water and have gills!

### Draw Your Favorite Animal:

In the box below, draw a picture of your favorite animal and write what group it belongs to:

Group: \_\_\_\_\_
