

Instructions

Look at the pictures below and help classify the animals into the correct groups! Draw a line from each animal to its group.

Animal Groups:

- Mammals
- Reptiles
- Birds
- Fish

Animals:

- ☐ Dog
- ☐ Snake
- ☐ Parrot
- ☐ Goldfish
- ☐ Elephant
- ☐ Turtle
- ☐ Llama
- ☐ Penguin

Classification Chart:

Animal	Group
Dog	
Snake	
Parrot	
Goldfish	
Elephant	
Turtle	
Llama	
Penguin	

Fun Fact:

Mammals are warm-blooded animals with fur or hair. Reptiles often have scaly skin and lay eggs. Birds have feathers and can usually fly, while fish live in water and have gills!

Draw Your Favorite Animal:

In the box below, draw a picture of your favorite animal and write what group it belongs to:

Group: _____
