

## Instructions

For this activity, you will perform a character analysis of Harry, Hermione, and Ron from your favorite story about friends with magical adventures. Choose one of the characters and write a diary entry from his or her perspective. Think about their thoughts, feelings, and experiences, and express what their day might be like in a diary format.

## Character Analysis

Before you start writing, think about the following questions for each character:

- **Harry:** What are Harry's strengths and weaknesses? How does he feel about being the "chosen one"? What is his relationship like with his friends?
- **Hermione:** What drives Hermione and what values are important to her? How does her intelligence influence her relationships with Harry and Ron? How does she handle challenges?
- **Ron:** What role does Ron play in the group? How does he cope with feelings of insecurity or jealousy? How does his loyalty to his friends show?

## Diary Entry Format

Your diary entry should include:

- A date at the top (you can make it up!)
- At least three paragraphs expressing the character's thoughts and feelings.
- Details about a specific event or day in their life.
- Use descriptive language to convey emotions.

## Writing Tips

- Write as if you are the character—what would they write about their day?
- Be creative and use your imagination—feel free to include magical elements from their world!
- Make sure to proofread your work for spelling and grammar.

## Your Task

Choose one character (Harry, Hermione, or Ron) and write a diary entry based on your character analysis. Aim for at least one full page. Share your diary entry with a classmate to discuss your character's thoughts and experiences.
