

Instructions

1. Carefully trace the letters with your finger or a pencil.
2. Practice writing each letter on your own below.
3. Remember to take your time and make your letters neat and tidy.
4. When you're ready, try writing the words at the bottom on your own!

Section 1 - Letters

Trace and write these uppercase letters:

Model: **A**

Model: **B**

Model: **C**

Model: **D**

Model: **E**

Model: **F**

Section 2 - Words

Now, practice writing these simple words:

☐ You're doing a great job! Take your time and remember to have fun while writing! ☐
