

## Instructions

Complete each task below. Use the spaces or text areas provided for your answers.

### English

1. Rewrite the following sentence by correcting the punctuation:

"the quick brown fox jumps over the lazy dog"

2. Identify and write the parts of speech for each word in the sentence:

"The sun rises slowly in the clear morning sky."

3. Write a short paragraph (5-7 sentences) about your favorite book. Be sure to include characters, setting, and themes.

### Science

4. Explain the process of photosynthesis in plants. Be sure to include the role of chlorophyll, sunlight, water, and carbon dioxide.

5. What is the water cycle? Describe its stages in order.

6. Write a short explanation of the differences between a hypothesis and a theory in scientific terms.
