

Instructions

Let's start your Japanese adventure! Complete the following tasks to learn basic Japanese phrases inspired by Genshin Impact. Have fun and do your best!

Vocabulary Time!

	(Hello / Good day)
	(Good morning)
	(Thank you)
	(How are you?)

Pronunciation Practice

Write the Romaji (English letters) for the following Japanese words:

--

--

--

Listening Exercise

Someone will say a few Japanese phrases aloud. Write what you hear:

--

--

--

Sentence Building

Use the vocabulary from above to create your own short sentence. Try to say something a character from Genshin Impact might say!

Cultural Connection

In Japan, people often celebrate festivals. What would you like to say during a festival? Write your answer below and draw a small picture of your favorite Genshin Impact character participating in the festival!
