

Instructions

Help the robot get ready! First, label its parts using the words in the Word Bank. Then, help the robot move by finishing the coding patterns.

Part 1: Robot Parts

Look at the robot below. Write the correct part name in each box.

Word Bank

Head
Leg
Antenna
Arm

Part 2: Coding Patterns

The robot follows code patterns to move. Look at each pattern and draw the shape that comes next in the blank space.

1 . → ↑ → ↑ _____

2 . □ □ △ □ □ _____

3 . ↓ ← ↑ → ↓ _____

4 . ○ △ △ ○ △ _____

Part 3: Make Your Own Code!

Now it's your turn! Create your own pattern for the robot to follow. Draw your shapes in the boxes below.

--	--	--	--	--

Answer Key

Part 1: Robot Parts

1. Antenna
2. Head
3. Arm
4. Leg

Part 2: Coding Patterns

1. → (Right Arrow)
2. △ (Triangle)
3. ← (Left Arrow)
4. △ (Triangle)

Part 3: Make Your Own Code!

Answers will vary. Check for a repeating pattern.
