

## Instructions

Complete the following activities for each subject based on the prompt of "Play with Barbie dolls". Use the provided spaces to write your answers or draw illustrations as needed.

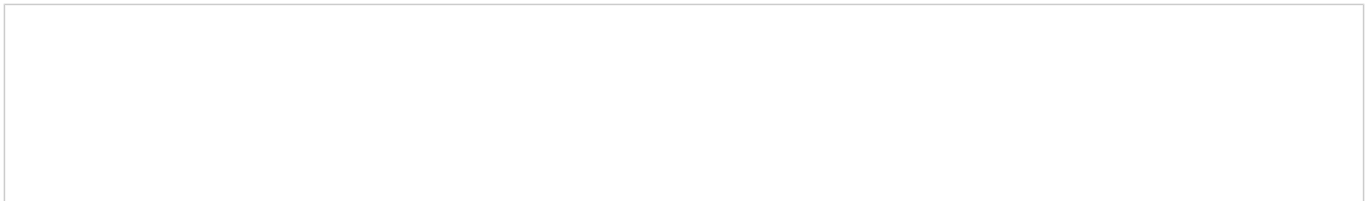

### Art

Draw a scene showing a fun day with Barbie dolls. Include at least three different Barbie dolls and their activities.

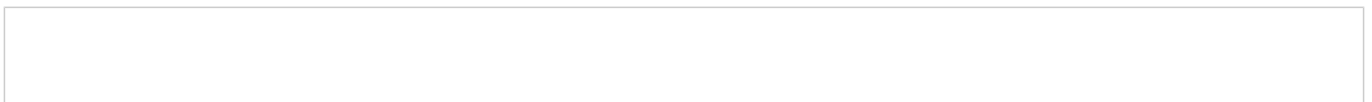

### English

Write a short story (3-5 sentences) about a day in the life of Barbie and her friends.

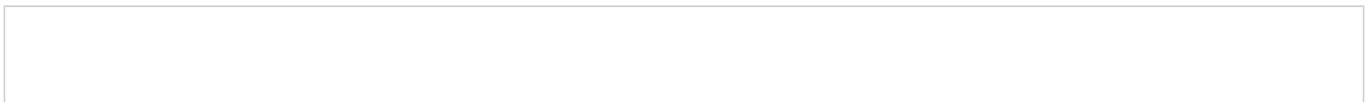

### History

Research the history of Barbie dolls. Write down two interesting facts about when and how they were created.

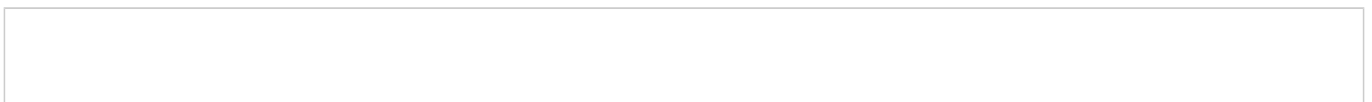

### Math

If Barbie has 5 outfits and she can mix and match them with 4 pairs of shoes, how many different outfit combinations can she create? Show your work:

### Science

Discuss how Barbie dolls are made. Write down the materials that are commonly used in the production of plastic dolls.

## Social Studies

Barbie dolls often reflect different cultures. Write down two different Barbie dolls that represent a culture and describe what makes them unique.
