

Instructions

Look at the pictures of the motorcycle parts below. Write the correct name of each part in the space provided.

1. Headlight

What does the headlight help us do?

2. Handlebars

What do we hold on to while riding?

3. Wheels

How many wheels does a motorcycle have?

4. Seat

Where do we sit when riding?

5. Engine

What gives the motorcycle power to move?

Color the motorcycle!

Color the motorcycle below any way you like!

Draw your favorite motorcycle!
